► **On the Wall**

With a little simple structure, it can be installed on the wall directly.

Near and close to the wall.

► **Back Structural Support**

In some special usage scenarios where screens are not easy to install on the wall, but this structure gives us one more option.

► **Hanging in the sky**

With specific hanging beams that connected with fast-locks of cabinets, hanging in the sky is also a good choice if you like this style.

► **Movable Conference Screen**

When a party or activity is to be held, a flexible movable digital screen can inspire more creativity absolutely.

► Church

P1.8mm, 1.92*1.44m

Church is God's house. It is where we go to find "solutions" when we encounter difficulties. LED display can help it spread better.

► Live Streaming Room

P1.5mm, 1.92*2.4m

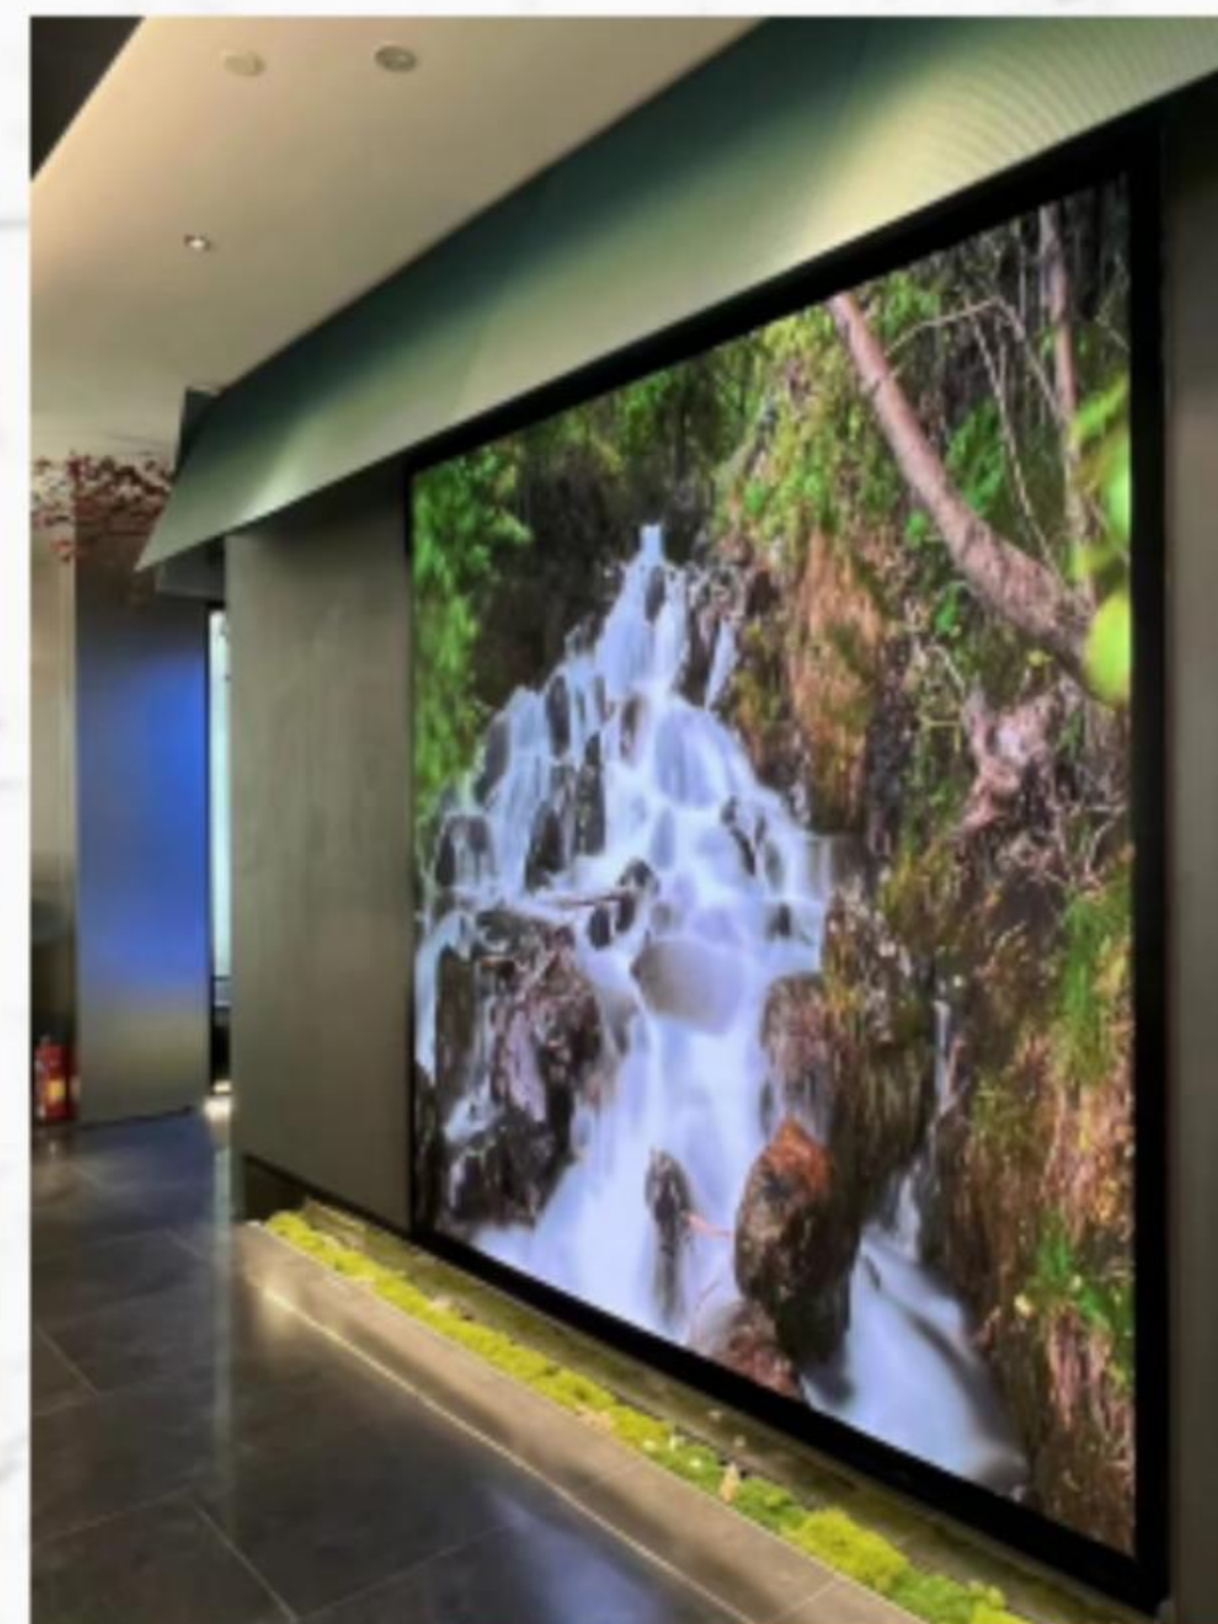

The sale of goods is to sell yourself. A LED screen can improve the room and brand image and better display the products.

► Hair Salon

P2.0mm, 0.96*2.24m, 0.96*1.44m

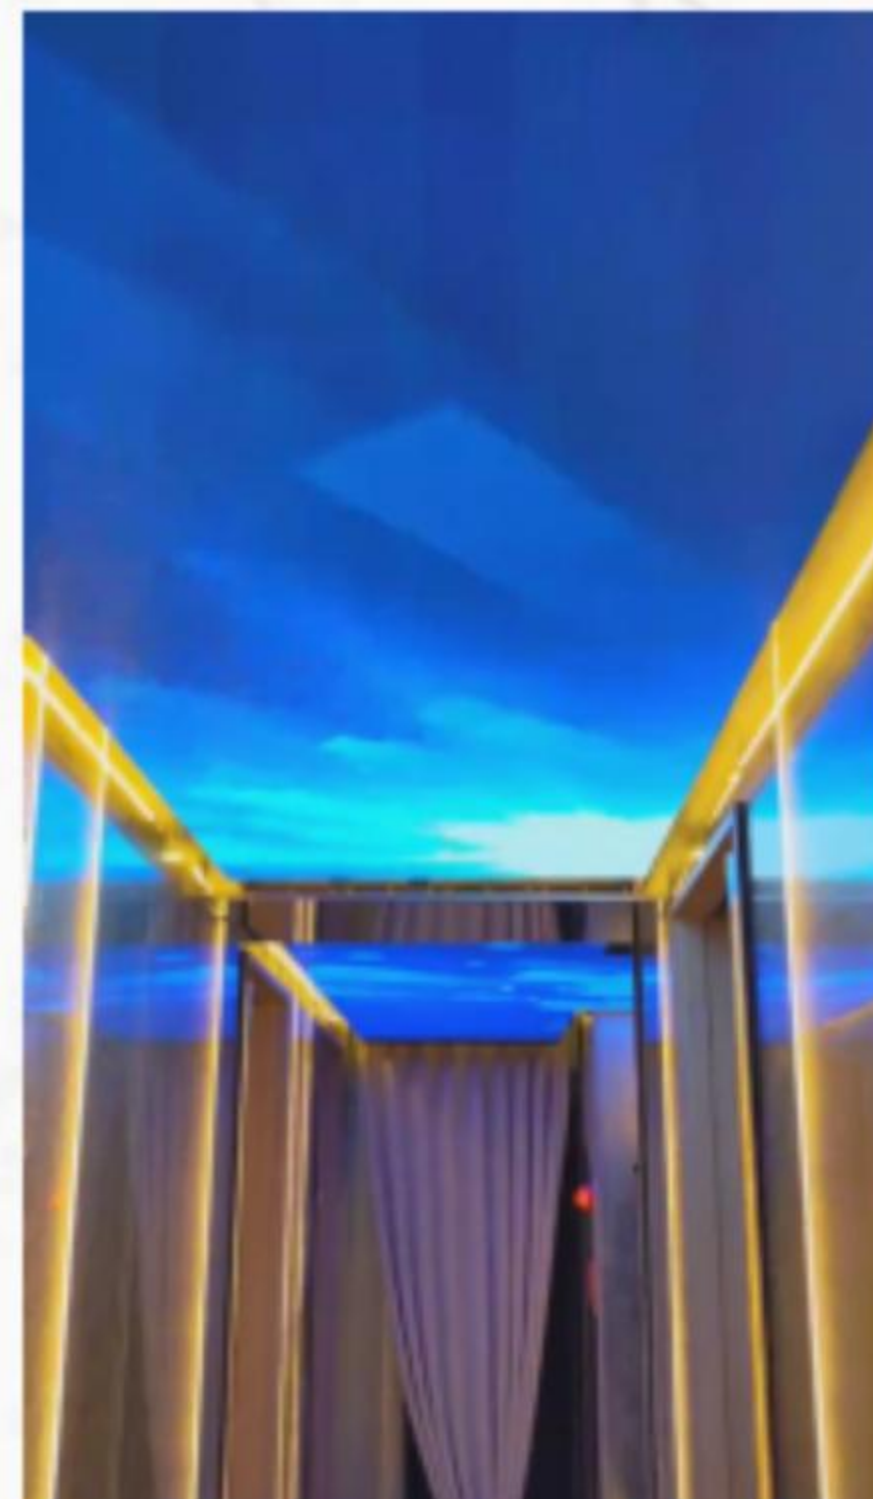

It is a place to enhance our physical image and temperament. SoStron's LED screens allows all kinds of hair service items to better show to customers.

► Restaurant

P2.0mm, 2.24*2.24m, 5.12*2.24m

The decor of a high-end restaurant is always addictive. SoStron's LED screens also blends perfectly with its style.

►Ceiling Screen

P2.5mm, 1.28*6.4m, 1.6*9.6m

A good idea never goes out of style.
Ceiling LED screen makes a stunning
immersive design for us. Let us look up
and enjoy the beauty of universe.

►Classroom

P2.5mm, 2.24*1.6m

The widespread use of technology is the
hallmark of modern classrooms. A clearer
and more colorful teaching content make
students more active in class.

► Movable Conference Screen

P1.8mm, 2.88*1.6m

A smooth progress of a meeting is inseparable from the presentation of good content.

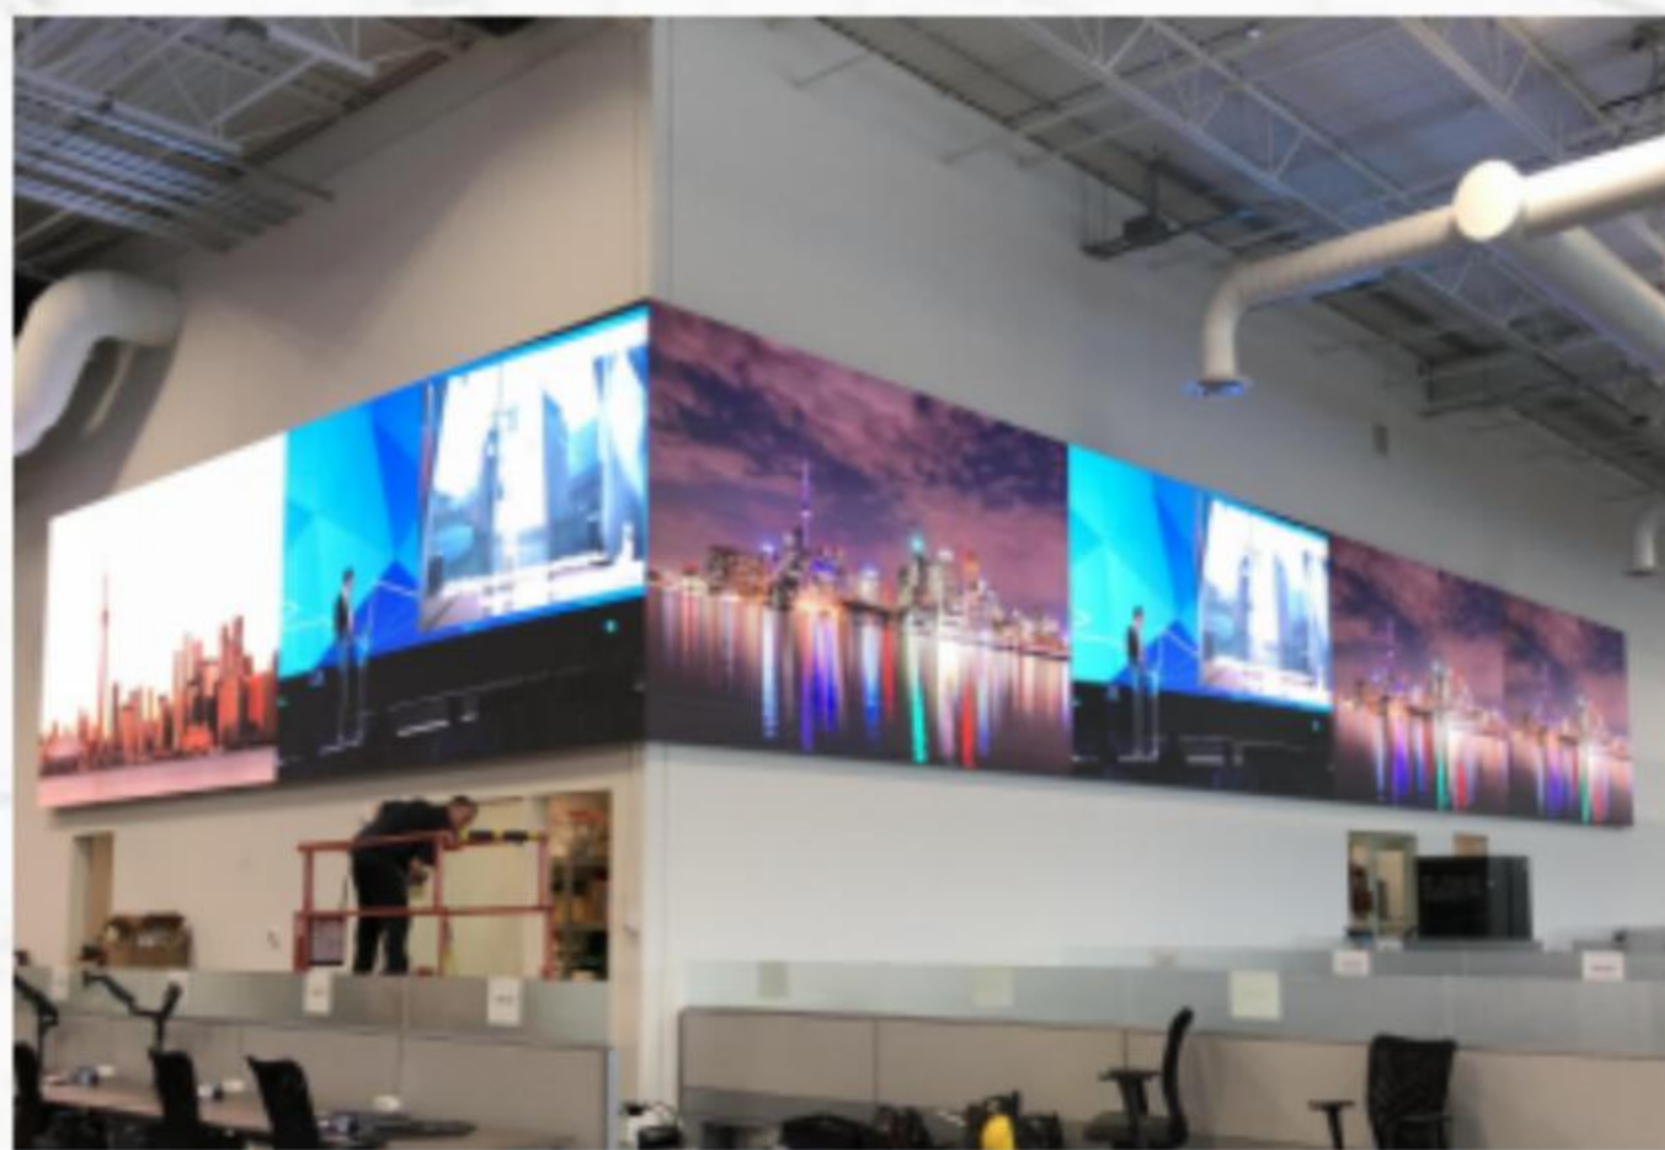

With audio option, all-in-one display type.

► Shopping Mall

P2.5mm, 7.04*3.04m

A shopping mall is obviously full of people. Especially on some holidays, many activities will be held. A big LED screen can help you get many commercial advertising earnings.

► **90° Corner-Cutted Design**

Flexible in different shapes installation.
Concave and convex available.

Applicable to more scenarios.

► **Brand Chain Store**

P1.8mm, 4.8*3.84m

Audemars Piguet has been run by its founding family with a remarkable sense of independence.

The visionary skills and uncompromising spirit of founders Jules Louis Audemars and Edward Auguste Piguet have imbued Audemars with timeless values that stand firm.

► **Hanging in the Sky**

P2.0mm, 2.56*1.44m

At an exhibition, using SoStron's LED screen which can be suspended in the air is a great idea to attract more people to visit your booth.

► **Brand Chain Store**

P2.0mm, 1.92*1.92m

Inspired by the sea, Panerai has positioned itself as a luxury watch in the sports and leisure sector.

With the combination of Italian design style and Swiss expertise, Panerai makes every watch with distinct brand style, exquisite technology and excellent quality, becoming a collection of fine products for people with good taste.
